

--- SINCE THE TRADE FIRST BEGAN

Every thread of Ludhiana's fashion trade, under one roof.

Gandhi Market has been the city's hosiery and garment trading centre for generations — rows of shops, each with its own craft. Browse them here, then order straight to the shop owner on WhatsApp.

THE MARKET

A hub built on hosiery, held together by trust.

Gandhi Market grew out of Ludhiana's textile trade into one of the city's most recognised names in hosiery and ready-made garments. Every shop here is independently run, carrying its own specialty — from knitwear to everyday essentials.
